

SECTION 4: ADDITIONAL INFORMATION

CO-MAKER INFORMATION

If there is a co-maker (typically the spouse on a joint Consolidation Loan) on the loan(s) for which you are requesting a forbearance, the co-maker must also apply and be eligible for the same or different forbearance type during the same period of time in order for you to obtain a forbearance. If the co-maker is applying for the same forbearance type, one form may be used as long as both signatures are present. If the co-maker is applying for a different forbearance type, two forms are required.

ENDORSER INFORMATION

An endorser is an individual who promises to repay a PLUS loan if the borrower does not repay the loan. An endorser who has assumed responsibility for repayment of a PLUS loan may apply for a Temporary Hardship Forbearance.

DIRECT DEBIT BORROWERS

If you are currently using Direct Debit, our Electronic Funds Transfer service, and will not have the funds available for your next scheduled debit, call us at least 3 business days prior to your due date to have the next scheduled debit suspended. This should allow you time to submit your forbearance request. However, keep in mind that you are responsible for all of your monthly installments until your request for forbearance is approved.

EXPLANATION OF INTEREST CAPITALIZATION

Capitalization of interest is the addition of outstanding accrued interest to the current principal balance of the loan(s). Capitalization of interest results in a higher principal balance and additional finance charges over the course of repayment and may cause your monthly payment amount to increase. AES will automatically capitalize outstanding interest at the expiration of a forbearance period. However, while your account is in forbearance, you will receive periodic notices advising you of the amount of interest which has accrued on your loan(s). These notices give you the opportunity to satisfy outstanding interest before capitalization.

SECTION 5: ADDRESS INFORMATION
